

# VIK 2

**Design by**  
Thibault Desombre

**Description**  
Vik 2 is the bi-material and/or bi-colour version of the Vik chairs and carver chairs. As with the Vik chair, Vik 2 brings us a wooden base which strikes just the right balance between affirmed aesthetics and solid stability. Very light (6.5 kg), it is therefore easy to move.

**Technical Specifications**  
CONSTRUCTION & COMFORT  
Seat/back shell in moulded beech multi-ply. Solid ash base. Protective gliders. Integral seat and back cushions in high resilience polyurethane Bultex foam (60 kg/m3 - 7.5 kPa and 37 kg/m3 - 2.7 kPa) and 100 g/m2 polyester quilting. To guarantee longevity, the periphery of the cushions is reinforced with high density agglomerated foam. Height of armrests of bridge : 67 cm.

**MAKING-UP**  
Baguette stitching. Covers are held in place by gripper strips and are removable.  
In the version with a handle, this is located on the rear of the back and comprises a steel core covered in the same colour of Divina as the rear face of the chair.

**COVERING MATERIALS**  
Rear face (part B) is always in Divina whilst front face and sides (part A) are in Revive 1, Forest Nap, Galice, Oxford, Steelcut Trio, Divina or Gandino.
