

# CLAM

**Design by**  
Dubreil & Pilato

**Description**

Clam is a bed-settee with an easy-to operate system which enables it to offer just as much comfort as a settee as it does as a bed. Its meticulous finish and apparent lightness enable it to be viewed from all sides and to offer a soothing cocoon in settee position and a generous sleep area when used as a bed. When located in the centre of a room, it becomes an island of relaxation for reading or resting.

**Technical Specifications**

**CONSTRUCTION**

Two mechanically-soldered frames linked by 3 sets of articulated ratchets. Armrests with structures in soldered tubing clad in injected foam. Armrests and structure clad in 100g/m<sup>2</sup> polyester quilting. Metal structure of base finishes in Epoxy black lacquer and clad in stained solid wood.

**COMFORT**

The seat and back are identically composed of high resilience polyurethane Bultex foam (38 kg/m<sup>3</sup> - 3.6 kPa) and (36 kg/m<sup>3</sup> - 2.8 kPa). Clad in 100g/m<sup>2</sup> polyester quilting. Parallel sleep platform 136 x 190, mattress protector supplied. Optional: 2 cushions filled with polyester fibres.

**MAKING-UP**

Twin-needle stitching on structure, armrests and mattress. Baguette stitch detailing on the 45 x 45 and 58 x 32 cushions. Covers may be removed by a professional.
