

# COSSE

**Design by**  
Philippe Nigro

**Description**

The inspiration for the Cosse settee is comfort. Soft, welcoming contours, a soft, delicate, all-enveloping form which floats above the ground, sustained by a fine beech structure in a choice of finishes, or in 25 mm square-section tubular steel in an Epoxy satin bronze finish. The remarkable comfort of the seat, achieved thanks to its elastic-webbed suspension, contributes to this feeling of comfort and lightness. One will also note those little details which, as always with our collection, serve to add to the sumptuousness of the model : the meanders of the armrest, for example, and the resulting difficulty of upholstering these, or the extreme slimness of the solid wood or steel legs.

**Technical Specifications**

**CONSTRUCTION & COMFORT**

Structure in mechanically-soldered steel ; Pullmaxflex steel-sprung suspension ; high resilience polyurethane Bultex foam (36 kg/m³ - 3.2 kPa) clad in 110 g/m² polyester quilting. Armrest in moulded foam (60 kg/m³ - 7.5 kPa) clad in 110 g/m² polyester quilting. Elastic-webbed suspension.
