

ESTIENNE

Design by
Didier Gomez

Description

A great international classic by Didier Gomez. His incredible eye for detail and his mastery of proportion have enabled him to create this settee. Estienne marks the renewal of our 'classic' collection celebrating perfect proportions and quality materials.

This model offers a choice of 2 seat heights : one of 38 cm, with no visible feet, in the vein of the great Italian classics. There is also a more 'bourgeois' height with a 44 cm high steel 'bridge' base.
